Gratitude must always and at all times be in Our Prayers, because there is no complete prayer without giving thanks to God. Christ always began his prayers by giving thanks to His Heavenly Father, “I thank you Father, Lord of heaven and earth.”

Every day should be an action of Grace and every prayer should begin by giving thanks to God. Every day we can say to God, “Thank you”.

Last Sunday I saw a father playing with his children in the church parking lot and the first thing that came to my mind was to say, “Thank you Lord”. That same day I was called to visit a person who was dying. After we prayed together, that person, with a smile on his face, gave his soul to God. The only thing he did say was, “Thank you my God”.

During Holy Week and especially on Easter Sunday, while I was looking at you, my Parish Family, I said to the Lord, “Thank you, my God, for my Parish Family, for being here with you”.

Gratitude is an essential part of all Christian Prayer. Gratitude helps us discover God’s blessings, the good of our brothers and sisters, and it improves our mood.

Also a grateful soul knows how to discover all the opportunities that are presented to it. The attitude of a grateful soul bears fruits of goodness and creates new opportunities for success.

Don’t let selfishness cover your mouth so that you neglect to say “Thank you”. You are bigger and nobler, you know how to say “Thank you”.

Thank you for praying with me, thank you for being my Parish Family and for letting me be your priest.
