The Trinity: Father - Son - Holy Spirit

God so loved the world that he gave his only Son, so that everyone who believes in him might not perish but might have eternal life. For God did not send his Son into the world to condemn the world, but that the world might be saved through him. - Jn 3:16-17

"The Master is here, and is asking for you." John 11:28
The Heart of Jesus that loves without measure

Devotion to the Sacred Heart of Jesus motivates us to see, how Christ loves, how he forgives, how he feels, how he suffers, how he calls us to love him.

The image of the Sacred Heart of Jesus reminds us of the central nucleus of our faith. God loves us with His whole Heart, and we should do the same. Jesus loves us without measure. He loves us so much that he suffers when His immense love is not reciprocated.

This means that in the month of June, we must live dedicated to the Sacred Heart of Jesus, showing him with our works that we love him, that we correspond to the great love that he has for us, and that he has shown us that love by giving himself up to death for us, staying in the Eucharist teaches us the way to eternal life.

We must ask ourselves in everything we do, “What would Jesus do if he were in my place”? That is what we should do in the face of any problem, whether it’s with our family, work, friends, or community. Therefore, we must think about whether our actions will take us further or bring us closer to God. It is advisable to have an image of the Sacred Heart of Jesus at home or at work, this will help us to remember His great love and to imitate Him in the month of June and throughout the year.

Origin of the devotion to the Sacred Heart of Jesus:

St. Margaret Mary Alacoque was a religious of the Order of the Visitation. She had a great love for Jesus, and Jesus had a special love for her.

He appeared to her on several occasions to tell her how much he loved her and all men and how much it hurt his Heart that men turned away from Him because of sin. During these visits to her soul, Jesus asked her to teach us to love him more, to have devotion to him, to pray and, above all, have good behavior so that his Heart does not suffer anymore with our sins.

Sin distances us from Jesus and this saddens Him because He wants us all to reach Heaven, to be with Him. We can demonstrate our love for the Sacred Heart of Jesus through our works. This is precisely what devotion to the Sacred Heart of Jesus consists of.

Contemplate the Heart of Jesus and you will learn to love.
